The Monthly Magazine of the Residents Association

The objects of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of BAR HILL VILLAGE.

This is a private publication and may not be reproduced without permission.

ISSUE 157

DECEMBER 1981

Part of the perimeter road is unlit, yet these parts of the village are being used by joggers during the hours of darkness. Most track suits are a dark colour which does not make the wearer conspicuous on a dark road. For your own safety, if you feel the need to run around the roads after dark, wear or carry something white, or better still, reflective - car drivers will see you sooner and give themselves more time to avoid you. There are many footpaths in this village - surely there must be a route around the village which avoids the perimeter road.

The Highway Code says:

"Where there is no footpath, walk on the right hand side of the road - facing oncoming traffic."

"Always wear, or carry something white or light coloured or reflective in the dark or in poor light. This is especially important on roads without footpaths. (Reflective material can be seen in headlights at up to three times the distance when compared with ordinary clothes. Flourescent material ... is of little use in the dark)"

PLEASE TAKE EXTRA CARE DURING THE COMING WINTER EVENINGS, WHETHER YOU ARE ON FOOT, CYCLE OR IN A CAR.

* Articles, letters and small advertisements for inclusion in the January issue of the Bar Hill News should reach the Editor, Martin Avery, 23 Foxhollow (CH 81233) by December 20th.

Enquiries for display advertisements to Kevin Golding, 114 Pheasant Rise (CH 80952) by December 19th please.

Bonfire Night

The collection raised £289, with a further £12 profit from the hot dogs, yet we have a bill to meet of £363. If any villager would still like to make a contribution towards the cost, this would be gratefully received by any committee member.

May we take this opportunity to thank all who helped to make the evening a safe and happy one:

Stuart Johnstone, Colin Burlton, Neil Hassel, Maureen Burlton, Tom Flanagan, 1st. Bar Hill Scouts, Bar Hill Branch of the Red Cross, Bar Hill Parish Council and any others we may have forgotten.

Prizewinners in the Guy Papade were: Nicholas Burlton, Matthew Gilks and Amanda and Suzanne Lewin.

Twinning

We are following up contact with two or three towns in West Germany.

Weekly Market

A weekly market may possibly be coming to Bar Hill, we would like your comments on this subject and will pass them on as appropriate.

The next meeting will be on Monday December 14th at 17 Foxhollow at 8.00pm. All welcome.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 17th November in the Committee Room in the Village Hall.

Slip road off A604

Following the fatal crash some months ago, the chairman reported that there had been another serious accident on this stretch of road leading into the village. The Parish Council is very concerned about the danger to traffic using this road due to the lack of adequate signposting on the A604 and the

continued/

matter has been taken up with the police with a view to arranging a meeting between the relevant authorities. However legal proceedings have been instituted against the driver of the coach involved in the previous accident and it is felt that until the case has been heard no action should be taken which may be prejudiced to its outcome. In the meantime the Parish Council will continue to do everything within its power to improve the safety of the road and we do ask all villagers who use the A604 to take particular care when entering the village by this route.

Open water courses

We note that several children have recently been seen playing in the open water course near Appletrees and Hollytrees. This is dangerous at any time, but particularly now with autumn bringing the usual increase in rainfall. It is possible for a child to drown in even a few inches of water, and we appeal to all parents to prevent their children from playing in the stream before a tragedy occurs. Any blockage of the water course resulting from objects being left there could also have serious consequences for large areas of the village as it could cause flooding.

Disposal of rubbish

Now that the skip facility has been withdrawn it may be useful to remind villagers that garden refuse may be disposed of at the County Council rubbish tip at Milton, just north of the A45. The District Council will collect large items of household refuse (but not builder's materials) free of charge and collection may be arranged by telephoning Histon 2504.

Joggers

The Residents Association have brought to our notice the number of joggers using the perimeter road between The Spinney and Bheasant Rise. This stretch of road is not lit and many of the joggers do not wear any form of distinctive clothing. There have been several near misses by car drivers and we would point out the danger of running on an unlit road on dark winter evenings without any protective markings.

The next meeting of the Parish Council will be held on Tuesday 15th December at 7.30pm in the Committee Room, Bar Hill Village Hall.

PUBLIC TRANSPORT REPORT

With Christmas approaching bus operators have planned excursions, Milton Keynes being a popular destination. Eastern Counties are running trips on the 5th, 12th, 17th and 19th of December. It costs £2 return but seats must be booked in advance. On Saturdays it is possible to travel from Bar Hill - Whippet Coaches run a service leaving the roundabout (Ekins Office) at 0804 and returning back for 1828 allowing 6 hours in Milton Keynes. The fare is only £2 return and this service operates all year round.

Over the Christmas holiday there will be no service by Whippet Coaches on the 25th, 26th, 27th and 28th December or the 1st. January 1982. Eastern Counties had not finalised their plans

continued/

at the time of writing but anyone interested could phone me nearer Christmas (81730).

Good news from British Rail: The new "London Saver" ticket allows a return trip from Cambridge to London, Liverpool Street for just £5 adult and £2.50 child - remember that the child age limit has been raised to those under 16. With a "London Saver" you can travel by any train on Saturday and Sunday, leaving after 0845 and not returning between 1700 and 1900 on Mondays to Fridays. You can return the same day or any day within a month.

LETTERS TO THE EDITOR

Dear Editor,

May I extend my thanks to all those villagers who sponsored me in my recent entry into the New York City Marathon. I am pleased to say that I finished the course, not too much the worse for wear, albeit in a time in excess of 4 hours.

All the money raised will be donated to the Cambridge Cancer Scan Appeal. As the money is still coming in, I am afraid I am not yet able to place a firm figure on the final sum raised but am confident that it will be well over £1000 between the three of us.

Thank you

Jim Turney
84 Pheasant Rise.

Peter Wehrle wishes to sincerely thank all the friends and neighbours for the very kind messages of sympathy, and the flowers, which were for the memory of the late Derek Edward Lincoln of 14 Appletrees, Bar Hill who passed to rest on the 12th of November 1981.

THE LION DOG

So Pekingese are bad-tempered, are they?

My own cream-coloured "sleeve" is friendly but temperamental. ("Sleeve" equals "miniature" because the old mandarins used to carry the miniscule variety about in their wide open sleeves.) His immediate predecessor, being of nobler ancestry, was friendly but utterly placid.

However, listen to supreme authority. Towards the end of the last century, the Dowager Empress of China, Tzu Hsi - "Old Buddha" - wrote a famous poem, setting forth the Lion Dog's essential points:

"Flowing cape of dignity around the shoulders...billowing standard of pomp over the back...eyes large and luminous...ears set like the sail of a war junk...nose that of the monkey god of the Hindus."

continued/

There is no need to catalogue at length because from the pearls of wisdom that dripped from the Imperial lips the standard now obtaining in this country was originally based.

She also dwelt, I fear with the exaggeration of doting love, on its "little ways" (not the expression SHE used):

"Entertaining by its gambols...washing its face like a cat with its paws" - one of my Pekingese actually did - "sociable in its habits that it might live in amity with all the beasts, fishes and birds that find protection in the Imperial Palace."

Each of her damsels was given a group of dogs to look after, each lot one colour. One was given yellows, another reds, yet another blacks. She in least favour got the white ones. White, the symbol of Chinese mourning, was unlucky.

"Old Buddha" gave them meticulous, if high-flown, instructions on diet, medical care and training, all embodied like the previous quotations in her epic(?):

"Sharks' fins, curlews' livers and breasts of quail and to drink, milk of the antelope that pasture in the Imperial parks or broth made from the nests of the sea-swallow.

"In the day of sickness, let it be anointed with the clarified fat of the leg of a sacred leopard and give it to drink, in a thrush's egg-shell, the juice of the custard apple in which has been dissolved three pinches of crushed rhinoceros horn," And then the threat: "But should it die, remember thou too art mortal."

Of her training instructions, I will quote only one: "Teach it to bite the foreign devils instantly."

Which of course explains everything.

Happily for us of the upstart West, Sino-British relations are brighter now. We hope.

BOILER SERVICING UNDERTAKEN

There are three classes at the moment. 3 to 5 years, 5 to 7 years and 7 to 11 years. Everyone is most welcome to come along. The classes are getting so large that in January we are going to split them further and have four classes consisting of 3 to 4 years, 5 to 6 years, 7 to 8 years and 9 to 11 years. We hope that this arrangement will be better for the children.

By the time this goes to print we would have had our sponsored Paper Chain Making Hour. We would like to thank everyone who sponsored the children and who helped on the day. The paper chains will be used later this month to decorate the Church. We would also have had our stall at the Playgroup Christmas Fayre. We hope the day was a great success for everyone involved.

On the 12th December at 6.30pm the Church are holding their Carol Concert. Come along and sing some carols and get into the Christmas spirit. The children are singing one carol by themselves, so do please try to come along and hear them. It is usually a very enjoyable evening. There will be plenty of time to get the children to bed and still go to the Playgroup Disco later the same evening.

On Saturday 19th December from 3.00pm to 5.30pm we have our Christmas Party. We are having a disco and lots of games, so we hope the children really enjoy themselves. Father Christmas might even find time to pop in.

On 20th December it is the Toy Service and the children are acting the Nativity. The toys all go to the children at the Ida Darwin Hospital. If you would like to donate a toy it should be wrapped and labelled with the age and sex of the child for which the toy would be most suitable.

We have about fifty-five children acting in the Nativity. They have been rehearsing like mad to get it right for the day. We would like to take this opportunity to thank all the mums for making their childrens costumes. They have all worked with great enthusiasm. A big thankyou also to everyone who either made or bought a cake from our cake stall. We are not having a cake stall in December but we may have one again in January,

The Sunday School will be taking a short holiday over the Christmas period. We break up on the 20th December and return on the 10th January. We hope all the children have a lovely time at Christmas and we look forward to seeing everyone again on the 10th January.

The Sunday School would like to wish everyone in Bar Hill a merry Christmas and a peaceful and happy New Year.

If you have any queries concerning Sunday School, please contact Pat Staden on C.H. 81115.

BAR HILL TOY LIBRARY

At our recent Extraordinary General Meeting a resolution was passed to amend the Toy Library's constitution to allow an increase in the number of Committee members. We would like to welcome our new committee members - Jenny Gant, Shirley Essex, Daphne Impey and Kathy McCunn.

We have now moved to our new home in the Farm House, and in December Toy Library sessions will be held on 4th December and 18th December. However, would all members please note that the session on 18th December will be for the return of toys only, and no toys will be lent out on that date. We feel that it is probably better for Toy Library equipment not to be lent out over the Christmas period (Father Christmas might get confused!) and we are therefore taking the opportunity to check, clean and repair them where necessary. We would like all Toy Library toys to be returned on 18th December, so would all members who have borrowed toys from the Library please make sure they are returned on that date. The Toy Library will be open for business as usual again on 8th January.

In the interests of safety, particularly that of the children at the school, would those people who come to the Toy Library by car please park near the telephone box and walk the last few yards to the Farm House, instead of driving all the way up the track. With the dark winter evenings, it is not always easy to see children crossing the track and the fact that cars coming to the Farm House have to cross the spine path presents a danger to pedestrians. Thank you for your co-operation.

This seems to be a very opportune time to ask if anyone whose children are given toys similar to those in the Toy Library, and who does not want to keep the box, would please let the Toy Library have them. Replacing broken or damaged boxes is one of our biggest problems, so any help you may be able to give would be much appreciated. We particularly need boxes for almost any of the Fisher Price toys, but if you are in doubt as to whether the Toy Library has a particular toy, please ring me. We will willingly come and collect the boxes. Thank you.

We would like to wish all the children in Bar Hill a very happy Christmas and we hope that Father Christmas will bring you the toy you have set your heart on! However, if he doesn't, why not bring Mum along to the Toy Library in the New Year? We may be able to help!

BAR HILL PLAYGROUP

December is here and with it all the Christmas activities. There will be a short carol service for the under 5's and their mums and dads on Friday 11th December at 2.00 p.m. in the Church - not the Village Hall as previously stated. The service will be led by Mrs. Pam Read.

The children's Christmas parties will be on Tuesday 15th and Wednesday 16th December from 10 am until 12 noon. You will be notified at a later date which party your child will be attending.

We would like to thank everybody for their support at the Christmas Fayre. Also for everyone who has helped distribute the Webb Ivory Christmas catalogue, or who has ordered from it. Fundraising is vital for Playgroup to survive and maintain its very high standards, without charging too high fees.

GENUINE HOOVER BAGS & BELTS FOR SALE

The start of a new term after Christmas means a new Mother-helper rota. If you can spare a morning or afternoon once a week or fortnight to help at Playgroup, especially if your children are over 3 or better still at school, I would be very grateful. We are governed by social services and cannot operate without a ratio of one adult to six children.

If you haven't already got your ticket, remember the Playgroup Disco on SATURDAY 12th DECEMBER at the School. Tickets are on sale from Playgroup or any Committee member at £2.50 each, this includes a cold buffet supper. Please come and make a very enjoyable evening for everyone.

Playgroup will close on Wednesday 16th December and re-open on Monday 11th January. We will be receiving 16 new children during the first two weeks of term.

We would like to take this opportunity of wishing everybody a very Merry Christmas and a Happy New Year.

BAR HILL NATIONAL HOUSEWIVES REGISTER

Our 'open meeting' at the end of October was well attended and plenty of ideas were put forward for next year's programme. On 12th November we had a very interesting talk given by Mrs. Van Oosterom about Handicapped Children, giving us an insight into their world. Hopefully we are now better prepared for when we come into contact with such children and will not turn our backs and ignore them.

Our meetings for the next month are as follows :-

Saturday 5th December : Meal Crawl, details of which may be obtained from Lesley Turney, C.H. 80739.

Thursday 17th December : "What does Christmas mean to me ?" Bring along an example. Members will also be talking of their experiences of Christmas spent abroad. At Alison Stockle's, 71 Appletrees, 8 pm.

Monday 21st December : (Tuesday 22nd if wet!) Carol singing around the village. Anyone who wishes to join our group is most welcome. We will meet at 7.30 p.m. at 34 Pheasant Rise.

The first meeting of the New Year is on Tuesday 5th January when we will have a quiz evening at Josie King's, 112 Appletrees. One of the quizzes we will play is entitled "Botticelli" - fun to play but difficult to explain so come along and learn a new game.

Anyone wishing to know more about our group is welcome at any of the meetings and you can find out more by contacting me,

BAR HILL ALLOTMENTS AND GARDENS
SOCIETY

Please note that the garden shop will now only be open on the first Sunday in each month, 11.30 to 12.30 hrs.

Overgrown allotments have now been cut down and burnt off and should shortly be ploughed over, so if you have ever considered growing your own soft fruit and vegetables, now is the time to start, as the basic clearance work will mostly have been done for you.

How about an allotment for the whole family, father growing vegetables, mother growing herbs, and children can have great fun growing gourds, sunflowers, courgettes, etc.

Potato was deep in the dark underground
Tomato above in the light
The little tomato was ruddy and round
The little potato was white.
And redder and redder she rounded above
And paler and paler he grew
And neither suspected a mutual love
Till they met in an Irish stew.
